## DD Martin

**DD Martin** was born to sing in St. Louis, Missouri, where her mother, Stella Mae, was a popular Gospel/Blues singer who traveled throughout the South and Europe. Stella Mae instilled in her daughter a love of music and a dream of someday performing. DD realized that dream early when at age 13, she took the stage starring in a musical at the McCoran Playhouse in Los Angeles, CA with her teenage singing group "The Time Climax!" From that time on she was hooked, and destined to please an audience!

**DD has toured and performed with:**

Bill Medley of The Righteous Brothers

Little Anthony of The Imperials

Ben E. King

B.J. Thomas

**Arhur has performed with:**
